About Stratford Prep Middle School

Stratford Preparatory - Milpitas is a coeducational independent school located in the heart of Silicon Valley. Currently serving students in grades 6-8 for middle school with a continuing high school for grades 9-12, the school is accredited by the Western Association of Schools and Colleges (WASC). Building upon Stratford School's 25-year legacy of strong educational outcomes, our program emphasizes intellectual challenge, purposeful engagement, and meaningful connection between disciplines. At Stratford, our guiding purpose is "Connecting Students to Their Unique Futures." This commitment reflects our dedication to preparing students not only for academic success, but also for lives defined by curiosity, independence, empathy, and integrity. We strive to equip young people with the tools, confidence, and perspective necessary to navigate an evolving world with resilience and purpose.

Curriculum

A Stratford Middle School education features three important fundamental elements: Advanced curriculum, balance by design, and a culture of care that includes parents as partners. Our curriculum is designed to ensure that students can successfully engage with rigorous academic content while participating in the rich daily experience of being part of the Stratford school community. Students are simultaneously challenged and nurtured, thriving in an atmosphere of high expectations and ongoing support. Curriculum and teaching methods, both traditional and future-focused, enhance cognitive development, social and emotional learning, physical fitness, and athletics.
