

After School at Stratford – Session 2 Pleasanton Campus Beginning the Week of January 9, 2017

Student Information

.....

Child's Last Name Child's First Name Current Grade Level

- *The offering of all clubs is subject to sufficient enrollment and is on a first-come, first-served basis. Unless otherwise noted below, late enrollments are accepted during the first two (2) classes only and fees will be prorated based on the number of classes left in the club session. There is a minimum one (1) school day notice required to sign-up for a club (e.g., turn in a club application on Monday for a club that is held on Monday, then the student will start the following Monday).
- *Unless otherwise noted, each club will offer ten (10) classes during Session 2.
- *Withdrawals available for refunds are accepted during the first two (2) classes only and refunds will be prorated based on the number of classes left in the club session, unless otherwise noted below.
- *Make-up classes will be held due to teacher absences and school holidays only. There are no make-up classes or refunds for student absences. Refunds will be made if a club date is cancelled due to teacher absence only.
- *Sibling discounts do not apply to clubs.
- *If a student is picked up after the scheduled class ending time and is not signed up for extended care, a late pick-up fee of \$5.00 for every five minutes beyond the ending class time will be billed and payable through the parents' Smart Tuition account.
- *Unless otherwise noted on the club description page, all required club supplies are included in the fees noted below.

Club Selection

Select club(s) by entering the club fee(s) in the Amount Due column. Please be sure to check that the grade level noted applies for your child. Enter the Total Due after completing the club selection process.

STRATFORD SCHOOL

AFTER SCHOOL CLUBS

Enrollment is now open for After School Clubs Session 2! Below, please find descriptions for activities offered at our Pleasanton campus. Be sure to check the enrollment sheet for specific pricing and enrollment information!

Hidden Talent Art

Hidden Talent Art teaches the seven elements of art and focuses on realism. We introduce high-quality, college-level fine art media to the elementary school level. Students will gain observation skills and fine art vocabulary while exploring their creative side. Each session contains fresh challenges where both new and returning students will learn techniques in drawing, painting, sculpting, and mixed media.

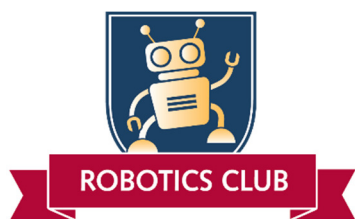

Yes for Chess

Yes for Chess is an interactive after school program that is both educational and fun! Students will learn how to succeed in chess – and beyond! Fees include a student workbook, instruction, organized play, and prizes!

Soccer Club

Children will learn the basics of the most popular sport in the world, Soccer! This class focuses on basic skill development and allows students to put those into practice in a short game each session. Shin guards are required for this activity and must be provided by the student.

LEGO Robotics

In this program students will explore various engineering concepts and will also learn to work in a collaborative and team environment. Using the third generation LEGO Mindstorms EV3 Robotics kit for third through fifth grade students, and the LEGO We Do kit for first and second grade students, they will learn to build and program the robot to carry out various tasks and challenges.

Little Writer's Workshop

In this supportive, interactive, and imaginative environment students will explore a variety of writing styles and story elements. Students will enjoy creating and sharing their stories while improving their writing skills. At the end of the workshop, students will take home a portfolio of their work, as well as helpful resource material.

Bollywood Dance Club

This class is for all students who would like to have great fun while dancing in contemporary Indian style and popular fusion style, mixing the western dance styles like jazz, hip-hop, and modern dance forms. Songs are picked from Bollywood movies and will teach coordination and awareness of body in dance

Tennis

Students will learn to play tennis in a positive, social, and fun setting. This club offers quality training that will improve strokes, hand-eye coordination, physical fitness, concentration, sportsmanship, agility, and self-esteem! All equipment is included. Space is limited, so sign up early!

**New Program
For Session 2!**

Super Science

This fun exciting science class is sure to keep your little one busy with hands on science experiments each class. We will discuss the cause and effect of each experiment and children will bring home the experiment (when possible) with each class.

**New Program
For Session 2!**

Young Readers Workshop

Presented by Tutoring @ Stratford

This interactive workshop focuses on reading comprehension, sight word fluency, and literary engagement. Students will participate in literature-based activities and projects, as well as concentrate on vocabulary and phonics of increasing complexity. Students will enjoy award-winning literature, and will receive quality books to enjoy at home at the end of the workshop.
