School-Age Day Camp

Experience AWESOME

Activity Blocks

Our activity blocks are sprinkled throughout each week, giving campers fun and variety in their camp day.

Life in Color
Think bold! Campers will push boundaries of perception through a variety of projects that are meant to improve skills and inspire creativity.

MVP Sports
We're putting a fun and competitive edge on sports for all skill levels. From foursquare to dodgeball, there is something for everyone to try.

Kids Helping Kids
Our campers will pay it forward as they help others in need by planning a community service event from brainstorm to implementation.
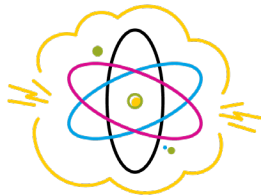

Create Your Own Story
Campers tap into their imagination by participating in storytelling through group projects and peer interactions that encourage positive relationships.

Color Wars
Our daily pep rally is a time for campers to gather for songs, chants, and challenges that promote collaboration.

STEAM 360
Campers will collaborate to solve problems, while developing a love of science, technology, engineering, art, and math.

Puzzled Out
Brain teasers, puzzles, and riddles help campers improve logic, reasoning, problem-solving, and math skills in an exciting way.

Center Stage
There will be plenty of opportunities to be in the spotlight as campers develop creativity and confidence through singing, dancing, and acting.

Makerspace
Creativity and construction collide in our Makerspace. Campers will plan and build 3D objects using wood, clay, PVC, and more.

Cardboard Innovators
The simple material of cardboard can be literally anything! Campers' imaginations will be put to the test as they use cardboard to create cars, forts, costumes, and more.

Science Challenges
Practical and fun experiments and projects send campers home with the enthusiasm and knowledge required to take the sciences further as hobbies.

Cartoons & Comics
Campers explore the exciting world of cartoons and comics while learning about the history of some of their favorites and illustrating their own.
