A Place to Grow:

Where learning continues beyond the school day

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the normal dismissal time. Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills, and to reinforce the skills they're learning during the school day, while providing plenty of time for fun with friends.

Program Details:

- Hours: 3:30pm – 6:00 pm
- Dedicated and specially trained staff members with experience in working with older children.

After School Clubs

Our After School Clubs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

Program Details:

- Hours: Varies by Club & Enrichment
- Dedicated and specially trained staff members in specialty area.
- Trusted Third Party providers in subject specific areas!

Extended Day

Extended Day

Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

Clubs & Enrichment

After School Robotics Program

Students will design, build, and program robots using the VEX IQ Kit's snap-together system. With smart motors, sensors, and coding tools, they'll learn problem-solving, teamwork, and STEM skills while bringing their robot creations to life!

Grades: 4G-8G
Weeks Offered & Time:
Monday, 3:30-4:30pm
9/8/25-12/1/25
Cost: \$360
Instructor: Mr. Richmond

Art on the Gogh

In this class, students will develop a further understanding of the world's most famous artists and the techniques they used to create their masterpieces. From Picasso's bold shapes to Frida Kahlo's intentional expressions, Art on the Gogh will take students on a journey through history. Each class we will explore the world of both two- and three-dimensional media using pencil, paint, oil, and more! Students will learn by following the instructor in a step-by-step method that allows them to see projects take shape from beginning to end. All ages and skill levels are welcome to create Art on the Gogh! All materials are provided.

Grades: KG-5G

Weeks Offered & Time:

Monday, 3:30-4:30pm

9/8/25-12/1/25

Cost: \$264

Instructor: Ace Enrichment

Hip Hop Dance

In this high-energy, age-appropriate class, kids will learn fun hip-hop techniques and combinations. This class will allow hip hoppers to have fun dancing to a variety of funky hip hop beats as they begin to develop their coordination, musicality, body awareness and overall performance. We will create a fun environment by using creative games, props, and engaging activities. All music is kid appropriate.

Grades: KG-2G

Weeks Offered & Time:

Wednesday, 3:30-4:30pm

9/10/25-12/3/25

Cost: \$240

Instructor: Ace Enrichment

Pickleball Club

Pickleball Club aims to introduce students to one of the most popular and fast-growing sports in the world. Participants will learn the official rules of singles and doubles pickleball while developing teamwork, sportsmanship, physical fitness, and of course — having fun! This club is open to both entry-level players and those with more advanced skills.

Grades: 3G-8G

Day Offered & Time:

Thursday, 3:30-4:30pm

9/11/25-12/4/25

Cost: \$300

Instructor: Mr. Knudsen

Cheer Club

Bring the energy and school spirit! In Cheer Club, students in grades 1–5 will learn cheerleading skills, teamwork, and performance basics while building confidence and having fun. Led by Ms. Tessa Hemingway, practices are held Wednesdays after school.

Grades: 1G-5G

Day Offered & Time:

Wednesday, 3:30-4:30pm

9/10/25-12/3/25

Cost: \$396

Staff Name: Lucky Ducks

Other Clubs

Culinary Kids

Welcome to the Culinary Arts where culinarians, artists and food-lovers come to create delicious edible creations. In Culinary Kids, we learn while we eat! Nutrition, preparation, presentation and flavors, we will explore new tastes and pairings, while perfecting our cutting and baking skills in a kid friendly kitchen. From math to science, geography to culture, we will explore all the richness that comes with what has brought people together since the beginning of time — Great food.

Grades: KG-5G

Weeks Offered & Time:

Thursday, 3:30-4:30pm

9/11/25-12/4/25

Cost: \$360

Instructor: Ace Enrichment
